

After several Operations in Eastern Europe, where we trained with many different Special Forces and Airborne units, in July 2012 we return! Please have a look to our pictures and reports of Operation Eagle 2006 to 2011 on our website.

## Operation Strike Eagle 2012:

INTERNATIONAL AIRBORNE OPERATIONS® will run the next operation in this region as “**Operation Eagle 2012**” within the term July, 13<sup>th</sup> through 15<sup>th</sup> 2012!

During this operations we focus again onto the mission oriented aspect of a parachute jumps – we will jump with equipment bag and rifle. See also pictures of [Operation Strike Eagle 2010](#).

We will jump for the following military parachutist wings of Czech Republic:

In case of 10 jumpers would like to gain the Slovakian Airborne wings, we will invite the respective jumpmaster:

**Slovakian Army: Basic**

**Senior**

**Freefall**

Requirements for the different levels for the respective wings on request!

**Important:** We jump for the wings authentically only! A sale of jump-wings without jump with the respective jump-master of the awarding nation will not take place at all!

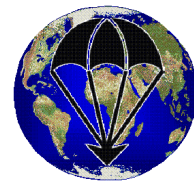

## **Details to the jumps:**

Operation Eagle 2012 is open to all experienced military static-line jumpers.

Drop-zone:	Airfield close to Pilsen/ Czech Republic
Jump-ship:	Biplane AN-2 (NATO Code Colt)
Training and briefing	- In English, Dutch and German language, executed by the Czech host unit - On round-canopy system (i.e. automatically opening)
Parachute system:	Czech OVP-68/76A (steer-able military-round-canopy system)
Altitude:	round-canopy systems around 700m

## **Parachute beginner training:**

Operation Eagle 2012 is open to parachute beginners. The beginner may choose, on which parachute system he would like to be trained - either round-canopy or square-canopy system.

Besides to the briefing in the parachute systems, jump-ships and DZ to all participants, novices in parachuting will receive an intensive training in exit-position, behaviour below the parachuting, mal-functions and parachute landing falls.

Please take in consideration that 90% of all Airborne units around the world are still jumping rounds by i.e. automatically opening. Our round-canopy course will open the door for you to join our world wide operations!

## Requirements to participate in the jumps:

A) Beginners must present on place:

- a) A medical certificate "fit for parachuting" (forms available on request) and participation in the medical check on place for 25,-€ during the course
- b) A third party (liability) insurance and foreign health insurance
- c) Physical Fitness
- d) Maximum body weight of 80kg

B) Experienced jumpers must present on place on top to A:

- a) An Airborne training certificate or parachute logbook with appropriate entries
- b) Parachute logbook with appropriate entries of
  - A minimum number of 3 jumps with round-canopy system OVP-68 within the last 2years or
  - A minimum number of 5 jumps with other round-canopy systems
- c) At least 1 jump during the last 12 months
- d) Medical certifications:
  - International valid parachute licence (Dutch A-Licence will be accepted) **or**
  - Czech medical certificate not older than 2 years **or**
  - A medical certificate "fit for parachuting" (forms available on request) and participation in the medical check on place for 25,-€ during the course
- e) Physical Fitness

Experienced jumpers who cannot meet the requirement b and c are requested to join the beginner training.

Every participant will also be asked to sign a liability waiver to the host unit and nation and organizer.

Important: All the above documents are checked on place. Those who may not meet the requirements will not participate in the jumps and receive no refund.
